E. T. Doane, deceased, has filed his
second and final account. Re-
ceipts are \$1968.61, expenditures
\$1061.26, balance \$907.35. The ex-
ecutor petitions for discharge.

John Hapa's bill of exceptions to
his conviction and sentence for
highway robbery have been filed.

The respective petitions of Charles
L. Carter, guardian, and J. S. Mc-
Grew, on the one hand, and Alphon-
sine McGrew, widow, on the other,
for letters of administration, were
heard before Judge Whiting and
taken under his advisement to-day.
C. L. Carter for J. S. McGrew; C.
W. Ashford for Alphonseine Mc-
Grew.

Judge Cooper has ordered a hear-
ing of the petition of W. H. Smith
for discharge from bankruptcy on
January 7.

Judge Cooper has rendered a de-
cision in the case of M. Polapola vs.
Maria K. Carr et al., bill to reform a
deed. The decision is in favor of
the plaintiff, whom the Court con-
siders entitled to a decree reforming
the deed. S. K. Kane for plaintiff;
Peterson and Creighton for defend-
ants.

Judge Whiting has rendered a de-
cision in Kumau and Luka and
Clarissa E. Cummings vs. Mrs. Niau
lauka and Mrs. Emma M. Nakuina,
on the demurrer of the latter de-
fendant, which is sustained. W. C.
Aebi for plaintiff; Johnson and Kau-
la for N. Lauka; Kinney for E. M.
Nakuina.

E. Norrie's appeal against con-
viction for seditious publication has
been filed.
In the bankruptcy of C. Gertz,
Judge Whiting this afternoon ruled
that the charges of the Marshal for
taking charge of bankrupt effects
were taxable as costs of C. Gertz. Car-
ter & Carter for the creditors; At-
torney General Smith for the Marshal;
Magoon for the bankrupt. The claim
of the creditors having been settled,
the Court further orders the release
of the property.

Save the Children

By Purifying Their Blood

Hood's Sarsaparilla Makes Pure
Blood, Cures Scrofula, Etc.

"My experience with Hood's Sarsaparilla has
been very effective. My little girl, five years
old, had for four years a bad skin disease. Her
arms and limbs would break out in a mass of
sores, discharging yellow matter. She would
scratch the eruptions as though it gave relief,
and tear open the sores."

Two Bottles of Hood's
Sarsaparilla caused the eruptions to heal and
the sores peeled off, after which the skin
became soft and smooth. As a family medicine
it is invaluable.

LADIES' COLUMN.

Commencing Saturday we
will KEEP OPEN EVENINGS till
the Holiday trade is over.

We have put electric lights
into the store, and are ready
for the rush. From day to
day our business increases.
We are kept moving from
morning till night; not only
ourselves but the goods are;
what is the reason of it? It's
simply this: We have been
whispering words of economy;
we have talked about judi-
cious buying, until at last you
realize that you can really ob-
tain first-class goods of us at
prices you would pay for
shoddy goods elsewhere. We
call them Quick Sales and
Small Profit Prices, which
means in plain English that
there is no such thing as just
the same goods for less money.
You realize it; every-
body realizes it; hence our in-
creased business. Judicious
buyers, shrewd buyers, those
that appreciate the best goods
for the least money, are the
ones you see snapping up the
new goods as fast as they go
on the counters. They are
the class of buyers we are
looking after.

This week you will find a
genuine Bargain counter load-
ed down with CALICOS, GING-
HAMS, ORGANDIES, COTTON
CHALLIES, SHAWLS, ETC.,
ETC.; come and look at them
and if you don't think they
are the best goods for the
money don't buy them.

Have you counted up
the Sales Checks you have re-
ceived from us yet?

Remember, we keep
open nights from Saturday,
Dec. 15th, till the Holidays
are over.

To Plantation Managers.

The following letters received from Mr. Jno. A. Scott, Man-
ager Hilo Sugar Co., refer to the AVERY FERTILIZER DISTRIBUT-
ORS and STUBBLE DIGGERS, for which the Hawaiian Hard-
ware Co. are sole agents. Mr. Scott first saw these implements
at the Columbia Exhibition in Chicago, and was so favorably
impressed with their appearance that he immediately ordered
samples shipped to the Hilo Sugar Co. Mr. H. Deacon, Man-
ager for Pepeekeo Sugar Co., secured one each of these imple-
ments from Mr. Scott and expressed his satisfaction with them
in the letter published herewith:

PEPEEKEO, Aug. 8, 1894.

J. A. SCOTT,
Dear Sir:—In reply to yours in relation to the "Avery" Stubble Diggers
and Fertilizer Distributors.

I would say that I have been using the Diggers almost constantly since
I received them, and am highly pleased with them. As the name signifies,
I find them specially adapted to the work of loosening the soil about rat-
toon stools, and they may be used to great advantage either before or
after the Fertilizer Distributors, thereby putting the ratoon fields in the
very best condition for a rapid growth. They are a light draft machine,
and I would recommend them to any plantation owner.

The Fertilizer Distributor is a great labor saving machine, and I find
that I shall need one more to fill our requirements here.

I remain, yours respectfully,
(Signed) H. DEACON,
Manager for Pepeekeo Sugar Co.

WAINAE, Hilo, Aug. 9, 1894.

Mr. E. R. HENDRY, Honolulu.

Dear Sir:—In reply to your enquiries regarding the working of the
"Avery" Stubble Diggers and Fertilizer Distributors. I would say that I
have been using the Diggers for some months and have dug some eight
hundred acres of stools with them, thoroughly loosening the soil in and
about the roots, thus giving them an excellent opportunity for many more
shoots to come forth than usually do. And I find that there is a thicker
stand of cane where it has been stubble dug. The machine works in fer-
tilizers on ratoon stools without any further hand labor, mixing them
thoroughly with the soil and allowing them to get to the roots of the
plant.

The Fertilizer Distributors I have had at work for some time and I
have fertilized about four hundred acres with them thus far and they are
doing all the makers claim for them, distributing the fertilizers in an even
manner on each side of the cane and in whatever quantity desired. They
are a good labor saving machine and are doing the work of several men.
These machines are of light draft and strongly made and there is nothing
liable to get out of order. I can fully recommend these to plantation
owners.

I remain, yours truly,
(Signed) JOHN A. SCOTT,
Manager Hilo Sugar Co.

We received by the Alameda a carload of Avery & Sons' Im-
plements which include Fertilizer Distributors, Stubble Diggers
and Improved Sugar Land Cultivators. The latter has solid
discs and shovel attachments. They are admirably adapted for
use in the soil here and will be found necessary on every plan-
tation.

The Fertilizer Distributor is arranged to work on land where
the furrows are irregular with the same facility as where they
run even.

Any information regarding these machines will be furnished
on application to

HIRES' ROOT BEER.

IT IS A HOME MADE AND HOME MAKING BEVERAGE.

It is very easily prepared, and if the plain directions are
followed, it will always be good. Every member of the family,
from the baby to the grandfather, can enjoy Hires' Root Beer,
and every one of them will have better health for each swallow
they take. It improves the appetite, purifies the blood, and
tones the whole system. Children especially delight in Hires'
Root Beer. Its preparation interests them, and its use does
them good. In thousands of homes, "Hires' Root Beer" that
mother made, will be among the happiest recollections of
childhood. It cleanses the system of the poisonous humors that
develop in kidney and urinary diseases, and in fact, in any case
that arises from an impure state of the blood.

Distinctly understand Hires' Root Beer is without adulter-
ation or any chemical or artificial admixture—we prove it—it is
made in one open laboratory. No secret process. We take the
best Herbs and Roots, boil them down, bottle them and send
them to you. Perhaps there isn't another Root Beer Labora-
tory in the country open to public view. Everybody knows Hires'
Root Beer—chemicals can't approach nature. Will you use
natural Root Beer and satisfy your thirst and strengthen your
body, or will you use artificial Root Beer to save a few pennies
and ruin your health? There is ten times as much Hires' Root
Beer sold than all other Root Beer extracts combined.

National Cane Shredder

PATENTED UNDER THE LAWS OF THE HAWAIIAN ISLANDS.

Mr. John A. Scott, Manager of the Hilo Sugar Company, gives the fol-
lowing wonderful record of the working of the NATIONAL CANE SHRED-
DER, which was erected by their works at the commencement of the crop
just harvested:

"During the past week the Hilo Sugar Company's mill exceeded any of
its former records by closing in 125 hours grinding with an output of 3001
tons. This is fully 10 per cent more than the best work of former years.

"The three roller mill being 26 in. by 24 in. and the two roller mill 30 in.
by 60 in. The first mill doing this amount of work in an efficient manner
and with great ease, compared with work on whole cane, owing to thorough
preparation of the cane by the National Cane Shredder, recently erected by
the Company.

"And by its use the extraction has been increased from 3 percent to 5 per-
cent on all kinds of cane, and in some cases 80 percent has been reached;
the average being 75 to 78 percent, according to quality.

"A continuous and steady supply of shredded cane better fuel than from
whole cane.

"The shredder has been working day and night for seven months and has
given me entire satisfaction, having shredded during that time about seventy
thousand tons of cane, and a large part of it being hard ratoon.

"The shredder and engine require very little care or attention."

Plans and specifications of these shredders may be seen at the office of
